

SRI AKAL TAKHAT SAHIB, SRI AMRITSAR SAHIB PUNJAB

NUMBER: 3061

May 05 2012

The Guru's Beloved Khalsa Ji,

Waheguru Ji Ka Khalsa, Waheguru Ji Ki Fateh

Sri Akal Takhat Sahib instructs Sikhs for Justice and All India Sikh Students Federation to lodge a genocide petition with the support of Sikhs around the world and appeal to the United Nations;

- A) To investigate the systematic and organised attacks on Sikhs throughout India during the first week of November 1984. These attacks have been wrongly portrayed as only limited to Delhi and wrongly labelled as anti-Sikh riots by every Government of India since 1984 in an effort to hide the truth.
- B) A serious and concerted effort should be put forward in order to recognize the November 1984 organized and systematic killing of Sikhs as genocide.

Sikhs for Justice and All India Sikh Students Federation are going to lodge this petition with the United Nations. An international campaign to gain one million signatures to support the genocide petition is underway. All Sikhs are asked to support this campaign with a serious effort.
